

Micro CRB Bench

Description

The CRB stainless steel cleanroom bench features an excellent highly polished finish with no sharp corners or edges to trap contamination. The benches are uniquely designed to assist in putting on shoe covers and are ideal in all gowning areas. The perforated bench with its features can be used in many different ways, providing comfort in gowning operation.

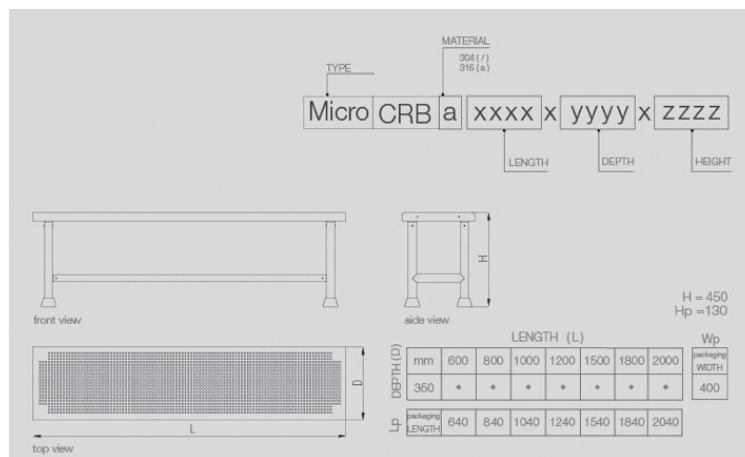

Features

- ❑ Smooth edges - prevents tearing and cuts.
- ❑ Ergonomic design - rounded front and back edge – higher comfort level.
- ❑ Adjustable feet - non-slip leveling feet and anchored leveling feet.
- ❑ Perforation - air permeability 40% and no retention of cleaning fluids.
- ❑ Minimization of gaps - closed circuit welded joints, preventing accumulation of dust and easy cleaning.

Benefits

- ❑ Perforated bench top hidden reinforcement under the bench top – continuously perforated table top.
- ❑ Adjustable feet solid feet – contamination free.
- ❑ Flat packaging - separate bench top and legs, simple assembly and detailed assembly instructions in every package.
