

CRG Stand Alone Garment Rack

Description

The CRG stainless steel cleanroom garment rack features an excellent highly polished finish with no sharp corners or edges to trap contamination. The garment racks are uniquely designed and ensure ease of use and maintenance. The cleanroom garment racks can come with a different number of hangers upon request.

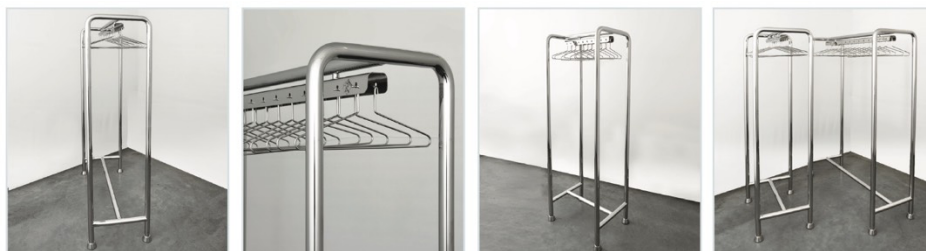

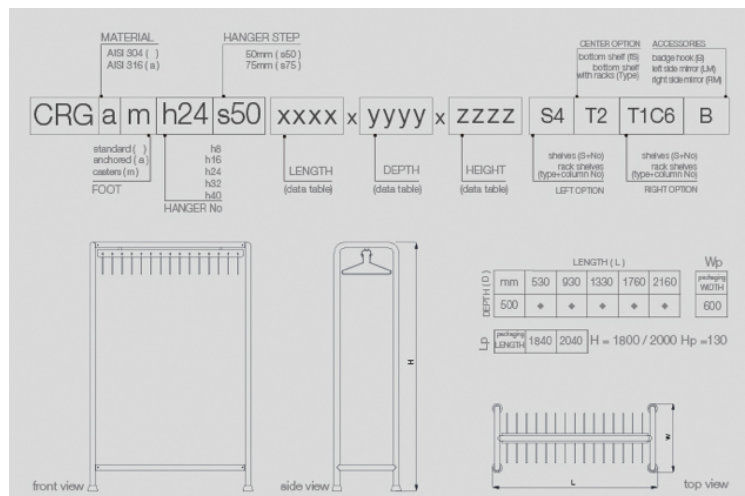

Features

- ❑ Smooth edges - prevents tearing and cuts.
- ❑ Perforated frame - air permeable perforated steel frame and air flows between garments.
- ❑ Adjustable feet - non-slip leveling feet.
- ❑ Fixed hangers - clothing does not touch in between.
- ❑ Minimization of gaps - closed circuit welded joints, preventing accumulation of dust and easy cleaning.

Benefits

- ❑ Hangers - made of stainless steel – durable and resistant to deformations and rounded corners.
- ❑ Optional 360° rotating casters – 1 pair with brakes, 1 without – for easy handling.
- ❑ Flat packaging - separate frame and hangers, simple assembly and detailed assembly instructions in every package.
